PALMER
College of Chiropractic

PALMER COLLEGE PRESENTS:

Pediatrics Diplomate Program Year 1

*Take your
passion for
pediatrics
to the next
level in
2006-2007!*

PALMER
College of Chiropractic

Join Palmer's prestigious ICA Pediatrics Diplomates!

Give *yourself* something to grow on by gaining the expertise to optimize the health and development of your littlest patients! Our program features high-energy lecturing coupled with hands-on experiential segments to help prepare our participants to sit for the Diplomate of the ICA Council on Chiropractic Pediatrics examination and earn D.I.C.C.P. status.

Sit under the direct tutelage of the most renowned pediatrics experts in the profession as they guide you through a rich and diverse track of learning structured to optimize your skills as a pediatrics practitioner to care for patients from prenatal and pregnancy through the spectrum of the child's growth.

"If you want to take your pediatrics practice to the next level, cultivate your confidence – and learn how to take a leadership role in educating your community – this program is a must-have. The investment in yourself is well worth the end result for your patients. Thank you, Palmer and the ICA!"

– Kathleen Ruebbelke, D.C., D.I.C.C.P.
Class of 1996

Knowledge. Confidence. Passion.

Year 1:

The first year of the diplomate serves as the foundation for all coursework and features normal and abnormal considerations and conditions encountered during prenatal care, pregnancy and the spectrum of a child's growth and development. Gain experience in: examination, referential diagnosis, evaluation, adjusting procedures and correlative studies in patient management for each age group. Bonus material is provided on research writing and documentation. This program consists of 10 live-weekend sessions including a year-end examination and requires the writing of a paper.

Times: Saturday 8 a.m. – noon (lunch on own);
1 p.m. – 5 p.m.
Sunday 8 a.m. – noon

Cost: **\$2,495** for the Year 1 program.
10 live sessions including Year 1 exam
\$295 for a single session.

A minimum number of full Year 1 participants is required to run the program.

Texts: Required texts not included.

CE: Available for select states. Call the Palmer Continuing Education to request specific approvals.

D.C. Students: You are eligible to enroll in this program! You must be scheduled to graduate prior to course completion.

CALL NOW TO SAVE YOUR SEAT!
1-800-452-5032

Membership in the ICA Council on Chiropractic Pediatrics is required for those participating in the Diplomate program. Membership forms are available from the ICA. Additional fee for ICA exam will be required.

Should you have a qualified disability that requires accommodation, please contact our office at least 10 working days prior to the seminar.
